

# 4-H for All

## SPRING 2022

The purpose of this virtual club is to provide new and potential members and their families a place to learn about 4-H; and to connect youth across the state. Youth will choose a project to complete, and learn more about 4-H and how to become involved. We want you to join and engage in our 4-H program! There is no cost, and meetings will help challenge you to create new goals and discover new passions.
